CLUB NEWS

CLUB NOTICE

We would like to remind members and guests that only drink purchased at the club may be consumed on the premises. Anyone ignoring this rule will be asked to leave and may forfeit their membership.

Crayford Social Club is a non-profit making organisation that relies on the custom and goodwill of its members. The committee will not tolerate any monkey business

OH WHAT A NIGHT

TALK THAT TALK, a modern five piece band rocked the house in March. Playing right up to date music from the likes of Olly Murs, Addell along with classics' from R Kelly and Robin S went down well with members and guests. Lead Holly Hunt skilfully sung took us through the music with some good remakes in her own style of these tunes while her fellow talented band mates laid down the beat for us to dance to., "Refreshing, upbeat and modern, five talented and passionate individuals. We must have them back!" said one person.

DAN'S THE MAN

Dan Russell came to the club on the 18th April and entertained those assembled with song and comedy. Queens "Bohemian Rhapsody" was just one of many tunes that got everyone on their feet singing & dancing along. With will most certainly have him back after he returns from his European tour in the summer. So watch out for his name on the Entertainment page on line.

HANGING ABOUT

Do you have green fingers? We would like to put some hanging baskets in the rear garden and add a bit of colour. Can of you help? Speak to our Bar Manageress Jo with details.

FOOD FOR ALL

The legionary RINGS ROLLS are only available to purchase on Saturday lunch times (while stocks last). Can you eat one without making a mess?

BIG PLANS AHEAD

We have BIG PLANS AHEAD and we want you to help realise them.

Crayford Social Club is run by its members for its members and we need new blood on the committee to take us into the next exciting stage of our history. All you need is 3 or 4 free hours a month. If you have been a member of Crayford Social Club for two years or more please speak to any current committee member to express your interest (both ladies and gents welcome of course).

ABBA FANTASIC

Glitz and glamour was the order as the Swedes sung the hearts out for the first set with some help from a few unwilling audience members. Our foreign friends were then replace with their English cousins sing their way through classic 70s hit like "Disco Inferno", "Hot Stuff" and many more. Sing Out Sister are truly great entertainers and crowd pleasers. We are trying to book them again for early next year, but this time bringing their 80s & 90s show to your club and another great night to the best place in town.

SIGN IN YOUR GUESTS

We are sorry to say that it has come to our attention that some members are bringing guests into the club without signing them in or paying. This contravenes the Club and Licensing Authority rules. Any member found flouting these rules leave themselves open to being disciplined and the possible restriction on their guests.
